GROCERY RECEIPTS

As we all know, groceries have become quite expensive this last year. From eggs to milk, your bottom line would understandably be affected. If you feel your CACFP reimbursement is not covering your grocery expenses each month, now would be a good time to start keeping all of your daycare grocery receipts for the year to see how those compare to your reimbursement each month. For example, if you spent \$800.00 on daycare groceries for the month of April and your reimbursement for your April claim was \$750.00, you would be able to take that additional \$50.00 as an added food expense on your taxes for the year. You will need to make sure

to keep those receipts for your accountant to look at but it may be worth the little bit of extra bookkeeping come tax time. Let us know if you have further questions about that or talk to your accountant.

2022 CACFP Tax Statement

If you utilize KidKare, your CACFP tax information is easily accessible to you! You are immediately able to view and print your 2022 tax information for your December 2021 to November 2022 claims paid in 2022. This report will give you all the information needed for your food program income for the year. Please call the office if you have any questions regarding your 2022 tax information.

IMPORTANT MONTHLY REMINDERS:

**Tentative Monthly Direct Deposit
Date Range: 19th - 28th**

Due to the continued fluctuation in receiving the claim funds from NDE each month, we feel it is best to no longer give a tentative deposit date "guess" in the newsletter, but rather a date range based on historical deposit dates. However, each month, once the funds are deposited into our account, we will send a notification to everyone directly through KidKare Messaging with the specific deposit date. Should there be a deposit delay beyond the 28th any month, we will notify you ASAP through KidKare Messaging so the info is at your fingertips!

Watch KidKare Messaging for the specific deposit date once we receive it!!
