IS THERE A CHANGE IN YOUR HOUSEHOLD SIZE??

If your household size changes due to getting married, having another child, or anyone moving into your household, <u>you MUST</u> <u>contact the office prior to this change</u>. A change in your household size may affect your Income Eligibility status. We must redetermine your income status and obtain the necessary paperwork regarding your income or change <u>within that same month</u>. Please do not wait until after your household change to notify us. USDA states that Income Eligibility paperwork can **NOT** be back dated so it is very important that you contact the office immediately so you can fill out a new Income Eligibility Application with current verification, if needed, within the current month. If your household size changes, please call the office and we will direct you on any further action needed.
