Income Eligibility Guidelines July 1, 2021 - June 30, 2022

Based on a USDA Tier Wavier, beginning July 1, 2021 through June 30, 2022, all Tier 2 and Mixed Homes will be Tier 1 regardless of the provider's location. If you are currently Tier 2 or a Mixed Home, you will still need to utilize your 2020 Federal taxes, paystubs, etc. to claim your own children. If you think you might qualify to claim your own children based on the new guidelines, please contact Lara in the office and she will help you calculate your income with your Federal 2020 taxes. If you have any questions regarding your tier status or the USDA Tier Wavier, please feel free to contact the office.

Provider's Network Referral Program

We are once again offering our Referral Reward Program to any of our current, claiming providers who refer a licensed or legally exempt provider to our program. Qualified referrals must be new and not already participating with another CACFP sponsor!

After your referral provider has claimed for two months, you will receive a \$50.00 Visa gift card!! For every referral you send our way, you and your referral provider will be entered into a drawing in December and could receive an additional \$50.00 Visa gift card just in time for Christmas! There is no limit as to how many gift cards you can receive so the more qualified referrals you send throughout the year, the more times your name will be entered into the drawing at the end of the year!

 $\frac{1}{2}$

Please let us know if you have any questions and make sure that your referral provider gives your name when they call to sign up!

We are now approaching our unannounced, in-person, annual training visits with all of you over the next several months. We wanted to mention that your advisors all received new laptops which are more compatible with the updated KidKare software. Unfortunately, one the of the drawbacks is that they will need a little table or countertop space to be able to utilize their laptops during the course of their visits with all of you. We just wanted to ask that when they do come for a visit, if you could show them where you would like them set up their laptop, it would be greatly appreciated! They certainly do not want to be in the way while you are serving your meal, but just want to make sure they are capturing all of the meal, attendance and other compliance related data accurately while staying out of your way.

Summer Reminders:

- $\sqrt{}$ If you are not on site when your advisor comes for her visit and your helper or staff is unable to conduct the visit with your advisor, you will be deducted for that meal.
- $\sqrt{}$ Remember to contact the office or your advisor if you will be closed or away from your home this summer, AND to mark your day(s) off in your KidKare calendar or on your "Provider Claim Notation Sheet" if you utilize paper claims.
- √ Remember to add non-school days in the KidKare calendars for each of your preschool and school age children. Paper providers: be sure to indicate non-school days for each child on your "Claim Notation Sheet."

June claim reimbursement paid in July Tentative Direct Deposit Date: July 21st

Reminder: These payment dates are subject to change from month to month depending on when we receive these grant funds from the Nebraska Department of Education.

Please keep that in mind when setting up your own monthly budgets.
